

BE EMPOWERED

DESIGN YOUR FUTURE

Remember, practice makes perfect. Real experience helps develop the right mindset. Practice ensures it stays with you to design your future. Action the FIDS framework.

There are two ways to participate:

1. **Solve a social challenge.** Identify a problem that is close to your heart and present in your personal environment. Implement the change you'd like to see.
2. **Create a social enterprise.** Become self-aware and turn your passion to create a product or service that will solve a real-world problem!

While ensuring all necessary safety protocols, author your story of change apply what you have learned, with your peers.

Are you ready to make a difference to your life and others?
